2000 subaru outback service manual I recently became aware that my 2001 Forester has a leaking head gasket and a bad wheel bearing. Although the vehicle is 12 years old, it has only 95,000 miles and has been meticulously cared for (I have all the service records dating back to the first oil change). I contacted Subaru and kindly asked that they include my car in their extended head gasket warranty because of the vehicle's low ...
