amusing and instructive fables pdf

amusing and instructive fables in french and english divided into sections and the two languages answering almost verbatim the whole illustrated with figures designed principally for schools part ii An anecdote is a short and amusing or interesting story about a biographical incident. It may be as brief as the setting and provocation of a bon mot. An anecdote is always presented as based on a real incident involving actual persons, whether famous or not, usually in an identifiable place; whether authentic or not, it has verisimilitude or truthiness.
