archaeologia britannica giving some account additional to what has been hitherto published of the languages histories and customs of the original inhabitants of great britain from collections and observations in A dowry is a transfer of parental property, gifts or money at the marriage of a daughter. Dowry contrasts with the related concepts of bride price and dower. While bride price or bride service is a payment by the groom or his family to the bride's parents, dowry is the wealth transferred from the bride's family to the groom or his family, ostensibly for the bride.
