best practice book for ielts reading 66 samples with answers This guide aims to fix that by describing the best practices for developing web apps with the Symfony full-stack Framework. These are best practices that fit the philosophy of the framework as envisioned by its original creator Fabien Potencier<sup>1</sup>. Best practice is a noun that means "a well defined procedure that is known to produce near-optimum results". And that's exactly what this guide aims to provide.
