French and Francophone Studies < University of Wisconsin

french grammar learning french the easy way What? Grammar should be addressed within meaningful communicative contexts as one element of language proficiency. Instead of focusing on grammar rules and diagramming sentences, teachers should guide students towards an understanding of how grammar functions. Students learn how to use the form rather than memorized conjugations that may not be applicable across contexts.

french grammar learning french the easy way In linguistics, grammar (from Greek: γράμμα) is the set of structural rules governing the composition of clauses, phrases, and words in any given natural language. The term refers also to the study of such rules, and this field includes phonology, morphology, and syntax, often complemented by phonetics, semantics, and pragmatics.. Speakers of a language have a set of internalized ...
