guitar fretboard mastery an in depth guide to playing guitar with ease including note memorization music theory for beginners chords scales and technical exercises The Hungarian minor scale, double harmonic minor scale, or Gypsy minor scale, is a type of combined musical scale. It is the fourth mode of the double harmonic scale. It is the same as the harmonic minor scale, except that it has a raised fourth scale degree. Its tonal center is slightly ambiguous, due to the large number of half steps. Melodies based on this scale have an exotic, romantic ...
