

landscape painting in contemporary china

### **landscape painting in contemporary pdf**

landscape painting in contemporary china Landscape painting, also known as landscape art, is the depiction of landscapes in art – natural scenery such as mountains, valleys, trees, rivers, and forests, especially where the main subject is a wide view – with its elements arranged into a coherent composition. In other works, landscape backgrounds for figures can still form an important part of the work.

### **Landscape painting - Wikipedia**

landscape painting in contemporary china The concept of cultural landscapes can be found in the European tradition of landscape painting. From the 16th century onwards, many European artists painted landscapes in favor of people, diminishing the people in their paintings to figures subsumed within broader, regionally specific landscapes.
