parasite rex summary Tyrannosaurus is a genus of coelurosaurian theropod dinosaur. The species Tyrannosaurus rex (rex meaning "king" in Latin), often called T. rex or colloquially T-Rex, is one of the most well-represented of the large theropods. Tyrannosaurus lived throughout what is now western North America, on what was then an island continent known as Laramidia. Tyrannosaurus had a much wider range than other ...

parasite rex summary Publication history. Elongated Man was created by writer John Broome and penciler Carmine Infantino, with significant input from editor Julius Schwartz, who wanted a new supporting character for the Flash. Julius Schwartz has noted that Elongated Man was only created because he had not realized that Plastic Man was available due to character rights having been obtained by DC in 1956 (along with ...
