persuading scientists marketing to pdf

persuading scientists marketing to the world s most skeptical audience Persuasion is an umbrella term of influence. Persuasion can attempt to influence a person's beliefs, attitudes, intentions, motivations, or behaviors. In business, persuasion is a process aimed at changing a person's (or a group's) attitude or behavior toward some event, idea, object, or other person(s), by using written, spoken words or visual tools to convey information, feelings, or ...
