religion and civil society pdf

religion and civil society rethinking public religion in the contemporary world In the sociology of religion, civil religion is the folk religion of a nation or a political culture. [dubious – discuss] [citation needed]Civil religion stands somewhat above folk religion in its social and political status, since by definition it suffuses an entire society, or at least a segment of a society; and is often practiced by leaders within that society.

Civil religion - Wikipedia

religion and civil society rethinking public religion in the contemporary world American civil religion is a sociological theory that a nonsectarian quasi-religious faith exists within the United States with sacred symbols drawn from national history. Scholars have portrayed it as a cohesive force, a common set of values that foster social and cultural integration. The very heavy emphasis on pan-Christian religious themes is quite distinctively American and the theory is ...
