### **Self-Exploration- Identity, Values, Experiences, Goals.pdf**

self exploration identity values experiences goals Values: Self-Exploration. Values are an important part of many psychotherapies, such as Acceptance and Commitment Therapy (ACT). When a person fails to live in accordance with their values, they will often feel unsatisfied. For example, someone who values their family very highly, yet spends little time with them, is unlikely to feel content.

self exploration identity values experiences goals Self-Exploration: Getting To Know Thyself. Many of us go through life skimming the surface of our identities. That is, we don't truly dig deeply into our thoughts, feelings, desires and dreams. Part of the problem is that we're always on the go. When to-do lists keep swelling, self-exploration takes a backseat.
