smart money smart kids raising the next generation to win with money Smart Meters are actually Stupid Meters. Why? Because they overcharge you, broadcast your personal info and detailed energy use habits, damage your DNA, harm wildlife, catch fire, and disable your shock prevention devices.They also emit wireless microwave radiation that can cause cancer and kill you.Need more reasons than that? Go to our Why Stop Smart Meters page.

smart money smart kids raising the next generation to win with money Left: An EMR-emitting device attached to a telephone pole. Right: A cell tower. Since microwaves easily flow through most construction materials, “smart” meters attached to the outside of homes (or huge banks of them on multi-unit dwellings) broadcast a perpetual barrage of Group 2B radiation directly into the interior of inhabited buildings and right through all human flesh within range.
